

"Timeless Tick-Tock: Vintage Alarm Clock"

Craftsman: Skilled artisans of the Oxfordshire Clockworks Company

Design: Featuring a classic round face with bold Arabic numerals and luminous hands

Material: Constructed from durable metal with a glossy enamel finish

Previous Owner: Mr. Harold Thompson

Condition Report: This vintage alarm clock is in excellent working condition

With its mechanism carefully inspected and adjusted to ensure accurate timekeeping. While it bears the patina of age, its retro appeal only adds to its character and allure.
